Cleveland, Feb. 17.

At mid day yesterday, a band of miscreant irresponsible ruffians assembled in front of the Medical College of this city, on Ontario-st., threatening the Professor and building with violence.

We went there about 2 o'clock and remained about 50 minutes. The ruffians, about 50 of the meanest, qualified had possession of the 2d story of the College, a large majority of whom appeared to enjoy the riots—part of the building was dislodged, and others sang at the top of their voices.

The claim was that the body of a female, found in the privy, was the daughter of Mr. Johnson, of Our city, which had been brought there by the students in dissection, and that her father had recognized her.

The facts were to be judicially investigated—no time was to be given during the afternoon.

The \$19,000 forfeited bail of Gen. Chapin has become the subject of inquiry by the Maryland Legislature. No one seems to know what has become of it.
